## ***Welcome to LET Training!***

We are committed to providing quality training, assessment and client services that exceed the expectations of each and every one of our students. We realise every student is on a unique learning journey, seeking a partner provider that understands and delivers on their individual needs, and provides a personalised, authentic experience. Our vision is to be that partner.

We also understand the importance of having access to sufficient, clear and accurate information to inform decision-making during all stages of that journey. Our Student Handbook has therefore been designed to achieve this goal.

Please use this Handbook to familiarise yourself with our organisation, its services, programs and commitments - whether it's to assist you in making an enrolment decision, to remind you of relevant processes once enrolled, or to identify which form to use when the need arises. This Handbook is also a companion to our complete Quality System Manual (containing all current Registered Training Organisation [RTO] Policies and Procedures).

Please do not hesitate to contact me personally at [info@lettraining.com.au](mailto:info@lettraining.com.au) if I can clarify any information contained in this Handbook, or provide any further information or assistance whatsoever with any aspect of our operations or services.

Again, welcome to LET Training. We look forward to partnering with you every step of the way of your journey.

Kind regards,

Chief Executive Officer

All fees will be competitive when compared to others in the marketplace, and may be varied or discounted at the discretion of LET Training.

Students pay an agreed fee upon commencement of a course for which they are enrolled. Any change requests to the current enrolment must be in writing, including change of bank details, request to withdraw from the enrolled course, request a course fee refund, or request to transfer a course enrolment.

### 1) Course Fees

The full course fee must be paid according to the agreed payment plan. The student will not be officially enrolled if the initial upfront payment is not received.

It is the student's responsibility to ensure there are sufficient funds in his/her nominated bank account or credit card to enable payments. If instalment(s) are not received within the agreed timeframe, the course enrolment will be suspended, and the remaining balance is payable.

Where payment has not been made for the outstanding amount, LET Training will not assess any submitted assessments. Where your course timeframe elapses, you will be Withdrawn

and deemed Not Competent in the course. To complete the course, you will be required to re-enrol and pay the course fee again.

## **2) Cancellation of the course or program by LET Training**

Should LET Training cancel a course for any reason, the students enrolled at the time of cancellation will be entitled to a full refund. This will incur no administrative charges or penalties. Students who have units that have already been assessed as competent will be issued a Statement of Attainment; and will have the cost of these units deducted from the refund.

## **3) Refunds and Withdrawal within five (5) days of the date of course enrolment**

If a student withdraws from a course within five (5) days of the date of course enrolment for any reason, the student will be refunded the course fees paid, less a \$150 administration fee.

Students must request the withdrawal in writing and will need to complete the Withdrawal Request Form.

## **4) Refunds and Withdrawal after five (5) days of the date of course enrolment**

Students electing to withdraw themselves from any LET Training course are required to do so in writing.

Where a student has elected to withdraw from a course more than five (5) days from the date of course enrolment for **any reason** (such as, by way of example, but not limited to: illness, family or personal circumstances, work commitments, employment status, health conditions, change of mind, change of training needs), a refund will NOT apply. The balance of their course fees is payable within 30 days of their notice of withdrawal.

Students must request the withdrawal in writing and will need to complete the Withdrawal Request Form.

## **5) Refunds and Withdrawal due to illness or health condition**

In the case of a student withdrawing from a course or program due to illness or extreme hardship affected by his/her health condition, LET Training may, at its discretion, allow an additional three (3) months term to help the student complete the course. A refund will not apply if the student withdraws after five (5) days from the date of course enrolment.

Students must request the withdrawal in writing and will need to complete the Withdrawal Request Form.

## **6) Request to transfer from one level or qualification to another**

Students have 30 days from initial course enrolment to request a change to a lower or higher level or any other qualification; this will incur an administration fee of \$150.

- i. Where the qualification level the student is transferring to is less than the qualification originally enrolled, a refund of the difference will be provided, minus the administration fee.
- ii. Where the price of the qualification the student is transferring to is more than the qualification originally enrolled in, a fee of the difference must be paid, plus the administration fee of \$150.

After 30 days of a student's initial course enrolment, the request for course transfer will not be considered. No refund will be provided and no change to their initial enrolment will be made.

## 5. Assessing competency

All assessments conducted by LET Training will conform to the assessment guidelines for nationally endorsed Training Packages or the assessment criteria attached to specific courses.

Upon enrolment, students will be provided with detailed assessment task specifications and activities specific to the relevant unit of competency (via the Learning Management System).

### 1) Assessment elements

Elements that may be included (depending on the unit of competency requirements) in the assessment process are:

- i. Underpinning knowledge for unit of competency requirements;
- ii. Practical ability or skills application;
- iii. Verbal and non-verbal communication skills (e.g. interactive role-plays, report writing);
- iv. Personal presentation appropriate to the environment.

Assessment usually takes place by way of knowledge and skills assessment. However, these are flexible and at the LET Training assessor's discretion in some courses as long as they meet ASQA guidelines and the requirements for competency for the specific qualification/unit of competency.

### 2) Assessment attempts

Students are given three (3) opportunities to be assessed for competency in a given course or program.

Where a Student has been assessed three (3) times and is still Not Satisfactory or Not Competent, a conversation with the Student and trainer/assessor will be held to plan the most suitable pathway to continue.

LET Training trainers may allow for further assessment opportunities where special circumstances identified are negatively affecting the outcome of assessment, or the Student is making progress in such assessment work.

The Student may appeal this decision in writing to LET Training. This process is outlined in the Complaints and Appeals Policy.

### 3) Flexible assessment

Where possible, a flexible assessment process will be undertaken to consider the requirements of people with special needs or situations including:

- i. Disability
- ii. Cultural background
- iii. LLN difficulties
- iv. Other reasons

Flexibility must not lessen the overall value of a course program but should be seen as a willingness to take different avenues to reach results with the qualification while ensuring the integrity of the qualification, skill set or unit of competency.

## 6. Recognition of Prior Learning

LET Training is committed to recognising the skills, knowledge and competencies of all students regardless of where and how these skills have been acquired. LET Training will, therefore, ensure that an individual's prior learning and/or current competencies achieved through formal (credentialed), non-formal or informal (non-credentialed) learning and/or training, work experience or other life experience is appropriately and duly recognised in the form of credits or exemptions from units or modules within a course or program of study.

### Procedure

LET Training will adopt and deploy a six (6) step process to ensure that all students have fair and equal access to being granted recognition of prior learning or current competency. LET Training will afford this opportunity to enrolled students **on a fee for service basis**.

#### 1) Information Session

All enrolled students who apply for Recognition of Prior Learning (RPL) will be supported and facilitated through the process by the nominated assessor. All prospective RPL applicants must arrange an Information Session with the assessor.

The applicant will be provided with complete copies of templates for all specific Units of Competency for which RPL is sought.

#### 2) Evidence Gathering

The enrolled student must fully document a claim for RPL. This involves carefully and meticulously selecting and organising a portfolio of evidence. The applicant needs to complete and submit in a single volume:

- i. **RPL Application Form:** duly completed and signed

	For the second and all subsequent units	\$70/unit (Certificate III or IV units)
		\$85/unit (Diploma or Advanced Diploma units)
Fees will be charged upfront and non-refundable.		

RPL Applicants are encouraged to conduct self-assessment and ensure they have the access to relevant information and able gather required evidence to support the application.

RPL Applicants are highly recommended to arrange further Information Sessions for support from the nominated assessor/s throughout the evidence gathering process to ensure a complete and quality submission.

#### 4) Application Submission

Once the portfolio of evidence is assembled and reviewed, it must be submitted by the applicant under cover of a completed and signed **RPL Application Form**. The applicant must sign the declaration on this form, confirming the authenticity of the work, materials and evidence submitted to LET Training.

All finalised RPL Applications should be submitted to the nominated Assessor in electronic format via LET Training's learning management system (LMS) or email. Prior to submission, it is the responsibility of the applicant to ensure that:

- i. It is clear which Unit/s of Competency that RPL is being sought for

If sufficient evidence has not been provided, the applicant will be advised of further requirements.

#### 5) Application Assessment

The Assessor will determine, through a thorough and systematic review of the evidence, whether the applicant has demonstrated achievement of the competency. The assessor will review the application in full, evaluating it against the respective elements and performance criteria of the relevant Unit(s) of Competency.

The applicant may be required to participate in (a) consultation session(s) with the Assessor to talk through and verify the materials submitted and further clarify the evidence provided. The Assessor will directly communicate with the applicant and arrange and conduct such a session at a mutually-agreed time(s).

In the event of there being insufficient evidence to make a judgment of competency, the applicant may be asked to submit further evidence, to undertake nominated assessment tasks, and/or demonstrate skills in the workplace or a simulated situation. The assessor(s) may wish to communicate with the applicant's manager or supervisor to validate competency.

Assessors will at all times assess the evidence supporting an RPL application in line with the standards of the LET Training Assessment Policy, ensuring the assessment decision is made based on the application of the Rules of Evidence and Principles of Assessment.

In making an assessment decision, the Assessor will ensure that it:

- i. Is evidence-based, equitable and transparent.
- ii. Recognises learning regardless of how, when and where it was acquired, provided that the learning is relevant and current and has a relationship to the learning outcomes of the qualification.
- iii. Is academically defensible and takes into account the student's ability to successfully meet the learning outcomes of the qualification.

- iv. Is decided in a timely way so that the student's access to qualifications is not unnecessarily inhibited.
- v. Allows for credit outcomes to be used to meet prerequisites or other specified requirements for entry into a program of study leading to a qualification or for the partial fulfilment of the requirements of a qualification.
- vi. Is formally documented including any reasons for not giving credit or recognition.

RPL assessment processes and decisions will be moderated in line with the provisions of the LET Training Assessment Policy.

## 6) Notification of Assessment Determination

RPL Applicants will be notified in writing of the outcome of his/her application. LET Training will retain copies of all materials at all times on the student's file; the materials will be available for such future reference as is necessary.

All RPL applicants have the right to appeal the decision in respect of an RPL application in line with the procedures detailed in LET Training Complaints and Appeals Policy. Unsuccessful applicants will be advised of his/her rights to access this avenue of appeal at the time of notification of the determination.
